

Write the title of the article:

After you have read the article, explain the connection between the title and article's information.

Write all the words or phrases you see repeated throughout the text or details that you find especially important.

Consider the repeated words, phrases, title and overall topic of the article.
What ideas do you think the author wants you to walk away with?

Boil all this down to one statement. What is the central idea of the text? _____

Let's review the process to find the central idea.

Connect title
with the text!

Identify
repeated words!

Deduce the take-
away!

Central Idea!
